Do you have any children 5 years of age or younger? (check one) ☒ Yes ☐ No

How have the services of the Family Court Clinic helped your child?

They didn't. I came the day of the hearing & really didn't have enough time to respond or figure things out. Not to mention my attorney (the day before) had not told me of my D.U.I. court hearing, so I was arrested for a Bench warrant.

DID YOU KNOW???

Your child's most important brain development happens in the first five years of life. Your child will be affected forever by these first five years. What is happening to your child?

Violence? Arguing? or, Reading? Good Nutrition? Loving home?

How have the services of the Family Court Clinic helped your child?

I was able to get assistance without being financially stressed. They helped me out with filling in the paperwork and getting everything done correctly. I now have full custody of my daughter and her father is currently out of the picture. My daughter is happy, safe, & healthy.

How have the services of the Family Court Clinic helped your child?

They have certainly helped my wife and I be more amicable through a very stressful time, and that directly benefits our kids. I am very grateful for the practical information and perspective we have received from your staff.
